

Bromsgrove Swimming Club

Name, Photographic & Social Media Publications Consent

Bromsgrove Swimming Club has a responsibility to maintain the confidentiality of all its members. Therefore BSC require parent/guardian permission for the publication of names and/or photographs of swimmers on external BSC publications e.g. anything published via the website www.bromsgrovesc.co.uk, BSC ranking lists and press reports. Please note photographs are used infrequently in the local press.

Names are also routinely placed on the ASA/County web sites however BSC have no direct control over this but your request will be passed onto the ASA and the County.

BSC will not be held responsible if the swimmer named enters other Open Meet Competitions and requires anonymity; it is the sole responsibility of the parent/guardian to do this.

Bromsgrove Swimming Club utilises Facebook, Twitter and other social media platforms. At times we may wish to take photographs or videos (individual or in groups) of swimmers under the age of 18 that may include your child during their membership of the club and post them to various social media outlets that we use, as well as to our website.

All photos will be taken and published in line with ASA guidelines. BSC requires parental consent to take and use photographs.

Parents have a right to refuse agreement to their child being photographed.
